

National Academies Press Download Instructions

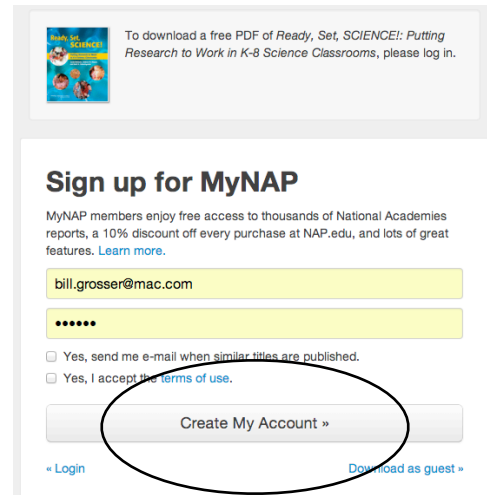

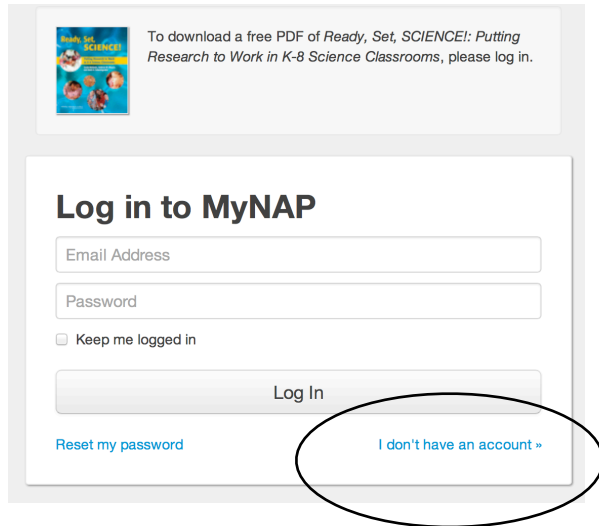

1. Go to the National Academies Press website (www.nap.edu)

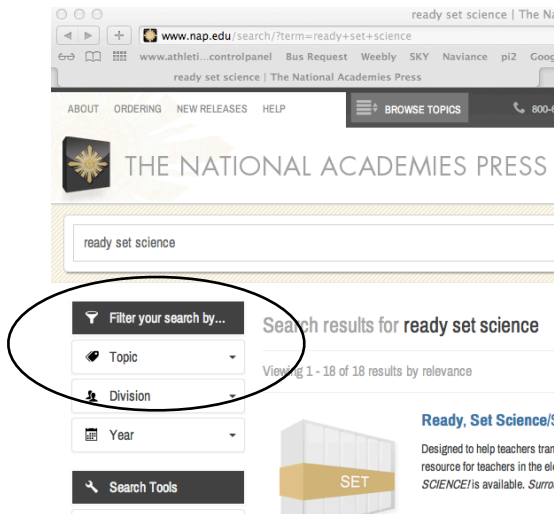

2. Search for “Ready Set Science”. Select “Download Free PDF”.

- Click on the “I don’t have an account” link. Enter your E-mail, enter a password for this site, then click “Create My Account”. Your account will be created and it will kick you back to the main search page.

- Search again for “Ready Set Science”. Click on the “Download PDF” button again.

- This time you should get the option shown below to “Download the PDF of the full book. ENJOY!”
