# Remembering and Thinking

## Remembering Simple Facts

The names of seven states in the United States contain the consecutive letters "AS". Name them.

The names of six other states in the United States contain the consecutive letters "IS". Name them.

## More than just Remembering Simple Facts

Start counting from "one". How high will you have to count before you reach a number with the letter "a" in it ?

## Almost All Thinking

Which figure in the bottom row should appear next in the top row?

## Know What Your Objective Is

The art of becoming wise is the art of  
knowing what to overlook.

—William James, Psychologist

I'd rather know some of the questions  
than all of the answers.

—James Thurber, Humorist

**Exercise:** Find a perfect star in the pattern below. As you look
